

R Roni Albert Jaron

EDUCATION

SRM Institute of Science and Technology
CGPA 9.51

B.Tech, Computer Science and Engineering
June 2022 – May 2026

CERTIFICATIONS

- NPTEL Certification in Database Management System** Jul 2024 – Sep 2024
- Gained hands-on knowledge in SQL, relational database design, normalization, indexing, query optimization, and transaction management
- NPTEL Certification in Problem Solving Through Programming in C** Jul 2023 – Oct 2023
- Developed strong foundations in C programming, algorithms, data structures, recursion, and debugging techniques through practical problem-solving

PROJECTS

- Server-Side Rendered Blog Application** 2024
Node.js & Express
- Developed a blogging platform using **Node.js, Express, and EJS templating** for server-side rendering and dynamic content generation.
 - Designed RESTful routes and modular code structure to enhance maintainability and scalability
 - Implemented a optimized UI with reusable templates for consistent layout and user experience
- Next-Gen Hotel Management & Dashboard Platform** 2025
Next.js App Router & React Server Components
- Developing with Next.js (App Router), React Server Components, and Supabase to deliver a high-performance, full-stack hotel management solution
 - Implementing secure authentication with NextAuth, responsive UI, and dark mode support

EXTRACURRICULAR ACTIVITIES

- Lead Website Developer** Feb 2025 – Apr 2025
SRM Ramapuram Model United Nations
- Designed and deployed a responsive static webpage for 300+ participants, improving accessibility and reducing event queries by 20%
 - Developed and documented 5+ reusable UI components, reducing update time by 30% and improving maintainability for future developers
- Technical Team Member** Oct 2024 – May 2025
CodeZilla
- Coordinated and executed 5+ technical events and hackathons with participation from 300+ students, enhancing engagement within the coding community
 - Managed end-to-end logistics, registrations, and technical setups, ensuring 100% on-time delivery of all events
- Volunteer** Jun 2024 – Jul 2024
ExNoRa International NGO
- Contributed to 3+ community clean-up drives, engaging with 100+ residents and promoting sustainable practices that improved local participation in environmental initiatives
 - Engaged **200+ community members** in sustainable practices through awareness campaigns

SKILLS

Programming & Web Development : JavaScript, Python, Java, C, Node.js, Express.js, EJS, React.js, HTML, CSS, MongoDB, jQuery, Tailwind

Development Tools : Git, VSCode, Postman, NPM, MySQL Workbench, Figma

SOFT SKILLS

Leadership, Adaptability, Team Player, Communication, Problem Solving, Critical Thinking
